Attn: Fleetwood Owners - Complimentary service is being provided by Fleetwood. Our goal is to provide service for as many of our valued customers as possible during this event. Time available and the number of units in attendance will determine how much service work can be performed at the rally.

Maximum of two repairs totaling 1 hour of repair time per motor home will be allotted as we have limited time and materials. Repairs listed should be functional items or safety items. Painting and items that are not functional will not be addressed at rallies. Your cooperation in following this guideline is essential. Submit this list promptly! Fleetwood must have your list at least **3 weeks** before the rally.

Repairs or noted service issues identified at this event do not imply warranty coverage for motor homes whose warranty has expired.

Please complete the lower portion of this form. Explain each of the two (2) items clearly and with detail.
